

Conserve O Gram

July 1993

Number 1/2

Bibliography

The *Conserve O Gram* series is published as a reference for collection management and curatorial issues and serves as a supplement to the *NPS Museum Handbook, Part I (Rev 9/90)*. The purpose of this bibliography is to provide a succinct listing of basic, useful references on the many topics covered in this series. In addition, each chapter in the *NPS Museum Handbook, Part I*, concludes with a bibliography and many *Conserve O Gram* leaflets direct readers to additional references. The following bibliography was compiled from these various references with recent publications added. Although most are book titles, the reader can also consult the numerous professional journals and periodicals that publish collections care information; suggested titles are provided in the *NPS Museum Handbook, Part I (Rev 9/90)*, chapter bibliographies. This bibliography will be updated as new works are published that communicate the objectives of the *Conserve O Gram* series.

Museum Collections Preservation

American Association of Museums. *Museums for a New Century*. Washington, D.C.: American Association of Museums, 1985.

American Association of Museums. *Caring for Collections: Strategies for Conservation, Maintenance and Documentation*. Washington, D.C.: American Association of Museums, 1984.

Ritzenthaler, Mary Lynn. *Archives and Manuscripts: Conservation, A Manual on Physical Care and Management*. Society of American Archivists Basic Manual Series. Chicago: Society of American Archivists, 1983.

Ritzenthaler, Mary Lynn. *Preserving Archives and Manuscripts*. Archival Fundamentals Series. Chicago: Society of American Archivists, 1992.

The *Conserve O Gram* series is published as a reference on collections management and curatorial issues. Mention of a product, a manufacturer, or a supplier by name in this publication does not constitute an endorsement of that product or supplier by the National Park Service. Sources named are not all inclusive. It is suggested that readers also seek alternative product and vendor information in order to assess the full range of available supplies and equipment.

The series is distributed to all NPS units and is available to non-NPS institutions and interested individuals by subscription through the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, FAX (202) 512-2233. For further information and guidance concerning any of the topics or procedures addressed in the series, contact the National Park Service, Curatorial Services Division, Harpers Ferry, WV 25425, (304) 535-6410.
